"MEET YOUR CANDIDATE" MEETING

The Mattapoisett Republican Town Committee is planning a "Meet Your Candidate" get together at the Congregational Church parish hall on Thursday, August 25th, at 7 P.M.

"If a man takes no thought about what is distant, he may find sorrow near at hand."
The quotation above is centuries old, yet it's as true now as when first spoken. The prudent man today, however, can protect his future security through insurance, properly planned. May we be of service?

CRESCENT BEACH IMPROVEMENT ASSOCIATION NEWS

With the coming of August, we begin the second half of the summer season. We sincerely hope that those of our community who have had to depart have enjoyed their stay here, and have been refreshed and strengthened for the work that lies ahead.

To those who have arrived and are yet to come we wish you a very pleasant sojourn with us.

It is good to see how everyone strives to keep their property looking attractive. Window boxes are in full bloom, lawns are well kept, and many cottages have been freshly painted.

Some roads could stand repair. This writer makes this suggestion, - that the residents on a street that needs a fixing, group together and share the cost. Ripple Street residents did this and the cost is quite nominal that way. Try it, folks.

Thanks are in order to Chief Kinney and the Town Board for their assistance in getting the white line painted on the curve at the end of the road. That should be a great help in preventing accidents.

The Juniors sponsored the whist party last Thursday. We hear it was a great success. They will hold a cake sale next Saturday at 4 P.M. Same place, on the triangle. If you

want a good homemade cake or pie or cookies, here's your chance. Support these young people in their work by bringing a cake, and buying a pie. It's good for morale, and helps the treasury.

They have also taken on the additional job of painting the outside of Raymond Hall. Good work, Kids!

Mr. and Mrs. Omar Mather took on a big job last week. They are dyed-in-the-wool square dancers, and after dancing at the wharf, they entertained no less than twenty-six members of the Couples Club of East Bridgewater at a party at their cottage.

No report regarding the number of crescents sold this week, but Mrs. Dempsey will still give you a large white piece of paper with a blue crescent on it in return for your small piece of green paper.

That's all folks, see you next week and drive safely.

EXPRESSES THANKS

I wish to thank the Rochester Grange, Ladies Guild, Rochester Men's Brotherhood, Rochester Woman's Club and the many friends who remembered me with letters, cards and gifts recently. They were very much appreciated.

FRENCH TAUGHT TO GRADE 4

Bonjour, mademoiselle, tres bien, merci, ma famille and other French phrases are commonplace to a selected group of Grade 4 pupils at Rochester Memorial School.

In recent years, the importance of teaching foreign languages has made great strides in the educational field.

Primary factor of the program is to instill and introduce the vast wealth of French culture to the pupils, Educators feel that the study of a foreign language in the lower grades establishes a depth of knowledge and achievement so that the pupil has greater command and fluency of the language when he studies at the junior and high school level.

Another point that is of interest to parents is that the children of today will do more traveling here and abroad than their

parents did and French is the seconday European language. By starting in the lower grades the pupil acquires much easier the mastery of French diplomacy.

Mrs. Ruby Lindsay is ably qualified in instructing French, having taught the language for 10 years at Algiers.

Mrs. Lindsay makes the class most intriguing and she has each pupil participate actively. The class learns how to say things in French by the use of pictures.

It's interesting to hear the pupils say merci beaucoup, many thanks; la craie, the chalk; une fraise, a strawberry; une grandmere, a grandmother. Their accent is quite good and they enjoy being able to speak phrases in French and many times complete sentences. Mrs. Lindsay is teaching conversational French which will help the pupils during the high school years.

During the study of French the pupils are called by their name in French and as most of the conversation as possible is carried on in French.

To make the class interesting the pupils

NORTH ROCHESTER CONGREGATIONAL CHURCH HISTORY

The strains of a wedding march will ring forth at the North Rochester Congregational Church on August 26th, the first time in approximately 40 years. The nuptials of Miss Edith L. Hedges and Glenn Reid Norman will be held on that date with the Rev. Herbert L. Wilbur officiating.

As far as can be ascertained, the last wedding performed at the church was on September 4, 1919, when the nuptials of Miss Dorothy Miller Nute and Arthur L. Clark were performed. Miss Nute was the daughter of Mr. and Mrs. Byron M. Nute. Mrs. Harriet McCombe Gilmore and Miss H. L. Hartley served as bridesmaids.

Possibly there were other marriages performed after that date, but inquiries were made and records checked, but no information could be found leading to a marriage performed between 1919 and the coming marriage on August 26, 1960.

The history of the North Rochester Congregational Church is rich in tradition, though the early records of the church were not all preserved. But from other sources, a few facts have been gleaned which show that the first meeting house in North Rochester was built in 1748, very near the northwest angle of the town, and about a mile from the present church.

To be continued

"In 1747 there was a deed of land on the north side of the road from North Rochester to Long Plain village given to Noah Sprague, Roger Haskell, Caleb Blackwell, Timothy Stephens, Thomas Whitridge, Ephraim Haskell, Ebenzer Haskell and Mark Haskell, and after that date it was known as the Parish or Ministry Farm. In 1780 it was occupied by the Rev. Thomas West and in 1790 he had died. Then the farm was sold. This place was in Dartmouth, now Acushnet."

There seems to be some doubt here about the ministry land because it seems the land was in Dartmouth, therefore it could not have been part of the Old Rochester Ministry Lands. The North Rochester Parish was not legally incorporated until sometime after the church was formed, and in all probability it never received its full quota of Ministry Land.
